

VOLLEYBALLOWEEN: A REVERSED 4'S TOURNAMENT IN SUPPORT OF NATHANIEL GRAY SATURDAY, OCTOBER 19TH

Nathaniel was the healthiest kid on the block. So when he started to complain about stomach pain in March, the very last thing Tano and Julie Gray of Sartell expected to hear is that their 5 year old has cancer. He is currently undergoing treatment for Stage 3 anaplastic large-cell lymphoma at Children's Hospital. Like Mathew Odette 10 years ago, Nathaniel started kindergarten earlier this month with a sweet and perfect bald head. He is attending the Spanish immersion program at Clearview Elementary, and would like school a lot better if he didn't have to wear socks and shoes! Proceeds from the tournament will to support Nathan, his brother Aaron (age 2), and his parents, Tano and Julie to make fighting this battle just a little easier. For more information visit:
